An Introduction to *NAMMA* philosophy .

Motto:

People are the unstoppable force that can move seemingly immovable hurdles. So let's harness this "force" for the betterment of society.

Philosophy:

Unified Growth > People Power > Mutual Help > Community Life.

Theme:

Namma is not just a commercial organization.

At the same time we are not some NGO or trust with a lot of funding.

Mainly we too are here to help people achieve their goals.

May we ask you not for your money but for your even more precious time.

And then we take it upon us to make things happen.
